## TOUR AUSTRALIA THE XTREME WAY WITH BRITZ

Want the adventure of a lifetime? Get off the beaten track and explore Australia's wildest and untamed 4WD tracks with Britz Xtreme.

Designed for adventure-seekers, Britz Xtreme combines the freedom of driving a Britz 4WD, the shared experience of travelling with a group and the expertise of a professional guide – all while exploring some of the globe's greatest 4WD touring routes.

Britz Xtreme is gearing up to take on one of the most exotic 4WD routes – the Cape York Safari.

Stretching through some of the most incredible natural sights on the planet, the Cape York Safari is a 19-day adventure that explores the beautiful waterfall circuit near Cairns, and takes you right up to the top of the country stopping at Thursday Island. Swim in the crystal clear creeks along the way, discover the ancient aboriginal art sites, enjoy isolated beaches and admire the magnificent untouched rainforests.

Armed with all the know-how of a Britz Xtreme guide, this tour, from 1 to 19 August, is an exciting opportunity to conquer this top end of the country. Highlights include Laura, Musgrave, Weipa, Elliot Falls, Gunshot Creek, Wenlock River, Jardine River, Bamaga, Captain Billy Landing, Chilli Beach, Kalpower, Lakefield National Park, Cooktown and the Bloomfield Track.

Britz Brand Manager Johanna Penny said there's never been a better time to spice up that next holiday and explore new horizons. "Britz Xtreme is about living life to the full," Johanna said. "It's a chance to get away and experience an adrenaline-pumping, unforgettable adventure."

Britz Xtreme has 15 different thrill-seeking tours, ranging from four to 26 days, available right up until the end of the year. Experience the raw beauty of the Kimberley region, from the Bungle Bungles to the gorges along the Gibb River Road, or drive the Old Ghan Railway as part of the Simpson Desert/Red Centre Tour.

Take in new heights with the Man From Snowy River Tour of Mt Kosciuszko, set your sights on a kaleidoscope of colour with the breath-taking wildflowers and gorges of the magnificent Flinders Ranges or get your heart racing with all the 4WD action of the Victorian High Country Trek.

Want to brush up on your driving skills before you go? Britz can put you in touch with 4WD trainers to ensure you'll be King or Queen of the track.

For your Britz Xtreme tour, you can choose from the popular and rugged Bushcamper 4WD suitable for two adults, or try the fun and unique Adventurer 4WD perfect for four people. Both vehicles feature a portable gas stove and esky fridge – all you need for your outback camping adventure.
